Opportunities in LHS Theatre

Libertyville High School Theatre strives to cultivate DARING performers and artists who engage in the transformative process of theatre, foster community, and shine their light. We produce 5 productions throughout the school year. In addition, students can take classes like **Theatre Workshop** or **Acting Studio** to explore skills in theatre and performance while challenging students to build an awareness of their relationship to others. Students in LHS Theatre classes get to pursue their passions while taking risks in a supportive environment.
