V. CHAMPIONSHIP

The Division Championships shall be determined by the best record within Division play. Crossover contests do not count in Division standings. Division standings are to be determined by the following system:

Win	-	3 points
Tie	-	1 point
Loss	-	0 points

In case of ties, duplicate trophies will be awarded.

The Conference Championship shall be determined by a single championship game between the Division champions. In the case of ties for Division championships, the following tiebreaking criteria will be used:

1. Division record
2. Head to head
3. Point System (Division games)
Win = 6 points; Tie = 3 points; Goals scored (1 point per goal up to 3 per game);
Shut out = 1 point
4. If two teams are still tied, the team that has not been to the Championship game from that division for the longest period of time will be the representative.

Note: If only two teams remain tied after any criterion is applied, head to head competition between those teams will be the deciding factor. Ties which remain after all criteria have been applied will be broken by a coin flip conducted by the Resource Athletic Director.

In the event of a tie at the end of regulation time in the Conference Championship game, the IHSA State series procedure (Terms and Conditions VI. E. 3 - Resolution of tie games) will be used to determine a champion.

Those at-large candidates not selected for the All-Conference team will be named Honorable Mention. Remaining positions, if any, will be voted on as at-large selections. The Honorable Mention team may contain no more than one half the number (25) of All-Conference players.

Selected Highlights from the NSC Constitution

From Article VIII: The Resource Athletic Director for each respective Varsity sport shall be responsible for compiling and distributing Conference Varsity standings and scores on a weekly basis. Each school shall be responsible for reporting Varsity scores to the Resource Athletic Director each week. The North Suburban Conference only recognizes championships at the Varsity level.

From Article IX: A player may participate at only one recognized level of competition on any given playing date or round of play against a Conference opponent, except where noted in individual sport Guidelines. In sports where there is a Conference tournament at the Varsity level, if a Conference school also hosts a Prairie-Lake (under-level) Invitational in that sport, an athlete is prohibited from competing at more than one level. Only freshmen may compete at the freshman level in any sport or contest. Member schools are required to field teams in recognized levels from the top down.

From Article X: It is agreed by all member schools that the use of video equipment for the purpose of scouting is allowed unless prohibited by individual NSC sport Guidelines or NFHS rules.
